| ANALYSIS | ANIMAL NAME | OWNER | BREED | SPECIE(BIRDS) | DATE OF BIRTH | SEX | CHIP/IDENTIFICATION | LOE(ID) | TYPE OF SAMPLE |
|----------|-------------|-------|-------|---------------|---------------|-----|---------------------|---------|----------------|
|          |             |       |       |               |               |     |                     |         |                |
|          |             |       |       |               |               |     |                     |         |                |
|          |             |       |       |               |               |     |                     |         |                |
|          |             |       |       |               |               |     |                     |         |                |

For paternity testing: **Indicate the progeny and the offspring**

**CHIIP (Required for identification, parentage and hereditary diseases)**

**TYPE OF SAMPLE: (Contact to the lab if you don't know which the most suitable sample is.)**

**PATHOGENS:**

- ✓ Blood (1 ml) or bone marrow must be sending in EDTA tubs. Heparin samples won't be accepted.
- ✓ Fresh biopsies in saline solution.
- ✓ LRC, biological fluids (pleural effusions, synovial fluid), lymphatic aspiration
- ✓ Conjunctival and lesional swabs (dried)
- ✓ Paraffin blocks
- ✓ Ticks taken from people or animals
- ✓ Not admitted glass tubes or needles

**SEXING**

- ✓ Blood in EDTA or FTA card, fresh plucked feathers or Eggshell

**HEREDITARY DISEASES and IDENTIFICATIONS & PARENTAGE:**

- ✓ Blood in EDTA (1-2ml.), BIRDS (20ul). Heparin samples won't be accepted.
- ✓ Plucked feathers

## ANALYSIS LIST

If the analysis you need is not listed, please contact us:  
info@vetgenomics.com / 663 882 486

**21% taxes not included**

### PATHOGENS

**\* Species identification by DNA sequencing included in the price**

If you request more than one pathogen per sample, we will bill 2 pathogens 58€, 3 pathogens 68€, 4 pathogens 77€ and 5 pathogens 85€

### MAMMALS

|  |       |
|--|-------|
| Angiostrongylus vasorum                        | 37,00 |
| Bartonella spp *                               | 37,00 |
